

**REMARKS****Status of this application**

In the Notice of Missing Parts, a new Abstract was required which contained 150 words of less. In the Petition for Revival, applicant's undersigned attorney inadvertently failed to amend and shorten the Abstract. As a consequence, the subsequently filed Petition for Revival was dismissed for failure to include a full response to the original Notice of Missing Parts. This amendment providing a shortened abstract is being submitted with the request for reconsideration of the dismissed petition.

Respectfully submitted,

Charles G. Call, Reg. 20,406
